Meet The Band:

Gina Galardo - Lead Vocals

Inspired by her father, Gina has been singing and performing since she was a little girl. After her father passed away suddenly when Gina was only 12 years old, she quickly realized how precious life was and how bad she wanted to make music her career. Right out of High School Gina took the steps needed to get closer to making that dream a reality by attending Musicians Institute's Vocal Program. Ever since graduating from M.I. in 2005, Gina has been busy singing professionally for hired Demo Sessions as well as singing Lead and Background Vocals with various Cover Bands in Nashville, TN and all throughout Southern California. The styles have ranged from Old School R&B, 80's/90's, Top 40 and Country. Inspired by an array of artists such as Billy Joel, Elton John, Tina Turner, Celine Dion, Shania Twain, Pat Benatar, Susan Tedeschi and today's Sara Bareilles, Gina still continues to also work on her original material in the Pop/Rock genre. Don't be fooled by Gina's small frame; she is a powerhouse vocalist who blows people away every show with her great enthusiasm and her love of performing.

Marcos Gonzalez - Lead Guitar and Vocals

Marcos was inspired by the movie La Bamba in which Ritchie Valens became his hero and Idol. Ritchie put his entire soul into each one of his songs. The love and applause that the fans offered him at that moment became what Marcos wanted in his life. Marcos began at the age of eleven. In the beginning it was just simple local and school affiliated bands performances. It was not until high school that he began playing jazz. Jazz was the challenge that would lead him to greater levels. Marcos took private lessons from Ric Ilejay, former guitarist from Earth, Wind and Fire, Lenny Kravitz and many others. It was a life changing experience that gave him the guidance necessary for his career. From there Marcos went to Musician Institute (M.I.) to further his education. At M.I. Marcos studied various styles with some of the leading industry musicians including private lessons from Paul Gilbert (Racer X) and Marry Friedman (Megadeth). At the age of nineteen Marcos did his first professional audition with an artist named Jerra. He was hired to record and tour all over the U.S and Canada. Marcos sponsorships include Daisy rock and Mesa Boogie. Marcos currently has been working with upcoming artists such as Ninel Conde, Ignacio Val, Noelia, and Gabby Villanueva. Working with these great artists Marcos has been privileged to play in many sold out arenas and appeared and performed on numerous TV shows. Check out his personal site at www.myspace.com/gunz86
